DUKANE Collaboration Table

The Dukane Collaboration Table combines function with stability at an affordable price. The adjustable height legs make this a great table for any application in schools, universities or office spaces. Built-in electric allows you to charge your device. The included flat panel mount accommodates up to a 55" display. Included casters, cable trough and braced legs make the Dukane Collaboration Table a convenient turnkey solution. This unique combination of technology and furniture truly brings people together for greater collaboration and increased productivity.

SKU	Description
DCT6	Dukane Collaboration Table, standard trough
DCTS6	Dukane Collaboration Table, trough with storage

The DCT6 Series tables includes the flat panel mount, power module with cables and cable trough. The flat panel display is ordered separately.

DUKANE SUD60-TR

Stand-Up Treadmill Desk

There are undeniable health benefits of walking versus sitting. Even just a few minutes of movement throughout the day can lead to weight loss, increased productivity, more energy and reduced stress. The Stand-Up Treadmill Desk from Dukane provides you with a low-impact work-out and eliminates the excuse that you don't have time for exercise.

- Treadmill Specifically Engineered for Walking
- LED Display Console
- Adjustable Height Desk

DUKANE SUD60

Stand-Up Desk

Innovative sit to stand design this adjustable height desk is perfect for laptop or tablet computing.

- 60" Wide Adjustable Height Desk
- 14" Deep Top Shelf, 16" Deep Lower Shelf
- 3" Casters, with Locking Brakes
- Heavy Duty Steel Frame
